SPEAKER EXCHANGE
Member Glenn brought an idea for **Speaker Exchange** to district for interest meeting. (Flyer
attached). Also includes a "visiting" group to bolster attendance at various meetings. Meetings
should not change their schedules to accommodate a speaker meeting, but those
meetings/groups which have a speaker are welcome to host a visiting speaker.

Need at least 4-5 groups to participate. Was floated as annual special event, and/or monthly participation.

Please bring the idea to your groups & response back to District next month with interest level.

NEXT MEETING 2/23

 Morgen to figure out how many groups are in District and how many GSRs are listed so we might increase participation

 Please bring the idea of Speaker Exchange to your groups & response back to District next month with interest level.
